Associate in Science degree

Students must print and retain the articulation guide for Allied Health along with UAB’s Area V courses once determining Allied Health to be their major. This guide and the Area V course listing must be submitted to the senior institution upon transfer. Failure to do so may result in the program not being transferable. This program does not transfer to all senior public institutions in Alabama. It is the student’s responsibility to become familiar with the requirements of the intended transfer senior institution. Refer to the articulation guide for this major at jeffstateonline.com.

*A minimum of 60 hours and a minimum GPA of 2.00 is required for a degree from Jefferson State.

*A minimum of 16 hours in this program must be completed at Jefferson State to satisfy the residency requirement.

Courses for Areas II-IV must be selected from the AGSC General Course Listing found on the back of this checksheet.

Students preparing to pursue the Bachelor of Science in Allied Health degree may take 20 semester hours of approved electives. Students should check with UAB for course approval prior to taking courses to satisfy Area V requirements. Students with a license or credential in health professions such as nursing or an allied health field may request that credit for technical courses in health professions taken at a community college or other accredited educational institution be applied as elective credit.

Note: Students must demonstrate competency in the basic use of the computer as a requirement for graduation. Courses with the computer designation are identified in the “Course Descriptions” section of the *Catalog and Student Handbook* and will satisfy this requirement.

I understand that I may not graduate under these requirements after summer term 2012.
