Student Number _____

Associate in Science degree

Students must print and retain the articulation guide for Interior Design along with University of Alabama's Area V courses once determining Interior Design to be their major. This guide and the Area V course listing must be submitted to the senior institution upon transfer. Failure to do so may result in the program not being transferable. This program does not transfer to all senior public institutions in Alabama. It is the student's responsibility to become familiar with the requirements of the intended transfer senior institution. Refer to the articulation guide for this major for a listing of senior institutions with this major at jeffstateonline.com.

*A minimum of 60 hours and a minimum GPA of 2.00 is required for a degree from Jefferson State.

*A minimum of 16 hours in this program must be completed at Jefferson State to satisfy the residency requirement.

Courses for Areas II-IV must be selected from the AGSC General Course Listing found on the back of this checksheet.

Admission of on- and off-campus transfer students into the INDS program is competitive and limited based on space available. Students should contact the Department of Consumer Affairs for an application, procedures, and additional information about admission criteria prior to beginning their collegiate course work. Applicants for the INDS program are admitted only in fall term.

Note: Students must demonstrate competency in the basic use of the computer as a requirement for graduation. Courses with the computer designation are identified in the "Course Descriptions" section of the *Catalog and Student Handbook* and will satisfy this requirement.

I understand that I may not graduate under these requirements after summer term 2013.
