Associate in Science degree

Students must print and retain the articulation guide for Agribusiness Economics along with AA&MU's Area V courses once determining Agribusiness Economics to be their major. This guide and the Area V course listing must be submitted to the senior institution upon transfer. Failure to do so may result in the program not being transferable. This program does not transfer to all senior public institutions in Alabama. It is the student's responsibility to become familiar with the requirements of the intended transfer senior institution. Refer to the articulation guide for this major for a listing of senior institutions with this major at jeffstateonline.com.

*A minimum of 60 hours and a minimum GPA of 2.00 is required for a degree from Jefferson State.

*A minimum of 15 hours in this program must be completed at Jefferson State to satisfy the residency requirement.
