Associate in Science degree

Students must print and retain the articulation guide for Recreation Administration along with the transfer institution's Area V courses once determining Recreation Administration to be their major. This guide and the Area V course listing must be submitted to the senior institution upon transfer. Failure to do so may result in the program not being transferable. This program does not transfer to all senior public institutions in Alabama. It is the student's responsibility to become familiar with the requirements of the intended transfer senior institution. Refer to the articulation guide for this major for a listing of senior institutions with this major at jeffstateonline.com.

*A minimum of 60 hours and a minimum GPA of 2.00 is required for a degree from Jefferson State.

*A minimum of 15 hours in this program must be completed at Jefferson State to satisfy the residency requirement.

Courses for Areas II-IV must be selected from the AGSC General Course Listing found on the back of this checksheet.

Note: Because of the sequential nature of the requirements, it is strongly recommended that students who plan to transfer to the Graphic Design program take no more than one fall semester and one spring semester at another institution. Although their credits will transfer, students may be delayed in the completion of their coursework in Graphic Design.

- If the student is not able to complete the ARTS 1100, 1120, 1210, 1220 courses or equivalent; and 2 of ARTS 1710, 1720 or 1730 courses or equivalent; then the student may be approximately one year behind.
- Competitive Admissions: To continue into the second level of the Graphic Design Program, Pre-Graphic Design students must submit an unofficial transcript after completing ARTS 1100, 1120, 1210, 1220 or equivalent; 2 of the Art Histories (ARTS 1710, 1720 or 1730 or equivalent); plus at least 6 hours of Core work. A GPA will be calculated from these courses and the students with the top GPAs will be admitted into the second level courses, GDES 2210 and 2220.
- It is highly recommended that students who plan to transfer to the Graphic Design Program at Auburn University should submit an application to transfer by the end of Spring semester when the second level GPA Competitive Admissions process occurs for the next Fall. **Due to the competitive GPA requirement for admission into the GDES 2110 Typographics**

and GDES 2220 Processes courses in the sophomore year, students cannot take any Graphic Design classes until they complete the courses in the first year Pre-Graphic Design curriculum model and are accepted in the GPA admissions process .

- After completing GDES 2210 and 2220, to be considered for continuation in the Graphic Design major, students must submit an unofficial transcript showing the required 2.5 GPA in GDES 2210 and 2220, a portfolio of work from GDES 2210 and 2220, and a one page typewritten statement of intent.
- It is highly recommended that students, who plan to transfer to the Graphic Design Program at Auburn University, should contact the Office of Student Services of the College of Architecture, Design and Construction in order to clarify all academic policies. Telephone: (334) 844-5350 (griffjr@auburn.edu).

I understand that I may not graduate under these requirements after summer term 2016.
