Ground Flight Training Introduction

\$199

This course is the ground portion of flight training necessary to pass the Private Pilot knowledge exam. During this course you will be introduced to the topics required to pass the exam as well as learn how to become a pilot. At the end of the course there is one hour of simulator training planned and an optional flight in an aircraft with a flight instructor. (Optional Intro Flight - \$150) The option to continue your flight training is available through Birmingham Flight Center upon completion of this course. Must be 16 years of age or older.

Stage Tips for Young Performers

\$ 59

Does your son or daughter like to sing, play an instrument or perform in shows? If you answered yes, then it's time to help him or her get ready to shine. In this class, young performers will learn how to present themselves with confidence on and off the stage. The class will focus on developing a healthy self-image and positive self-esteem. Plan to purchase course material the night of the class. Material cost: \$25.00
