Graduation Application Deadlines

The 2012 graduation ceremony will be May 4, 2012. Please check the Graduation website in late February for place, time, and other information. Students should apply one term prior to the term in which they plan to graduate so that Graduation Office personnel will have time to relay information regarding remaining requirements needed for graduation.

Submit your graduation application by January 3 for May 2012 graduation, and by February 24 for August 2012 graduation. Apply through your Pipeline account. Click Student Records/Apply to Graduate. Be sure to complete and return your Graduation Application Signature Page. Your graduation application will not be processed until this page is received by the Graduation Office. See <http://www.jeffstateonline.com/Graduation/index.aspx> for additional information.
