

## CRIMINAL JUSTICE / LAW ENFORCEMENT

### ***Important Catalog & Student Handbook Pages (read the book/disc):***

Alabama General Studies Committee (**AGSC**) Approved Course Listing – all core courses that transfer to state universities (see University Parallel section). This is important information for transfer students.

If you plan to pursue a BS degree, follow the **Associates in Science, Criminal Justice** degree listed in the University Parallel section. For Area V electives, verification with the university should be made via STARS. In addition to the 4 transferable courses listed in catalog (CRJ 100, 110, 150, 160), **UAB** applies the following to their JS major: CRJ 130, 208, 216, 220, 290. We now have a 3 degrees in 5 years program with UAB.

The **Associate in Applied Science in Law Enforcement** requires fewer general education courses but more Criminal Justice work (see Career section). Most of this degree will transfer but not all is guaranteed.

See Admissions section for Credit for Non-Traditional Academic Work including Police & Corrections **Academy (12 free CRJ hours)**, Military, Fire, EMT and CLEP information.

**Advising** is NOT REQUIRED (read your catalog and/or website first) but I am glad to meet with you or discuss issues via phone/email. There are no pre-requisites except for the elective internship. You can take several courses before choosing between the AS in CJ and AAS in LE. I recommend CRJ 100 early since it is a great overview course.

**Research occupations** to obtain realities versus TV hype! Several employment links are at the website below.

For more information on degree plans, jobs, faculty (impressive group), courses, etc. go to [www.jeffstateonline.com/criminal\\_justice/](http://www.jeffstateonline.com/criminal_justice/) or click on "study majors", then "CJ" or contact me. Advising is best by appointment – office is located at Jefferson Campus, George Layton Bldg, room 253. Hours vary by semester.
