**What Is iCADEMY Prep?**  
Training class for dislocated  
workers to learn new skills to  
prepare for entry level jobs.

**What Classes Are Offered?**

- Computer Skills
- Job Search Techniques
- Basic Math
- Basic Reading
- Basic Health Care
- Basic Manufacturing
- Home Health Aide
- Welding

**How Does It Work?**

Students who qualify for  
iCADEMY Prep will first  
benefit from classes on basic  
work skills. Then, they will  
select to focus on either a  
career in healthcare or  
manufacturing and welding.  
Paid for by a grant from the  
Department of Labor

## Attention Job Seekers In St. Clair County

If you have recently become unemployed, or you are an adult looking for new career, you may qualify for **free training** classes in the fast-growing fields of healthcare or manufacturing and welding. To find out, come to the Career Fair at Jefferson State and learn about **iCADEMY Prep**.
