

Network Outage

Jefferson State Community College's Internet connection will not be available on Saturday, June 13, 2009 from 12:01 A.M. until 5:00 P.M. due to a major maintenance upgrade at the Alabama Super Computer facility in Huntsville, Alabama.

This outage will affect the availability of the College's online services from off-campus, including Pipeline, Blackboard, our homepage and email. Please plan accordingly.
