Haiti Relief Effort

## Haiti Relief Effort

The Ambassadors are conducting a JSCC Haiti Relief Effort, please join us by donating one of the following items: combs (not pocket size), nail files, toothbrushes, hand towels (no kitchen towels), wash clothes, bars of soap, and sterile bandages. The Ambassadors will be making kits with the items donated to send to the United Methodist Council on Relief (UMCOR). Since the items will be crossing the borders we are very limited in the items we can collect.

Donation boxes will be located in each building of the Jefferson Campus, Shelby Campus and Pell City Location. The Relief Effort will be from January 29th through February 25th.

Please help us support the Haiti Relief Effort in this time of need!
