

GENERATIONS IN THE WORK PLACE

COURSE OVERVIEW

This is the first time in US history that four distinctly behaving generations are working side-by-side in the workplace at the same time. The four generations might be called (1) matures, (2) baby boomers, (3) generation X, and (4) millenniums. Learn what events helped shaped the different behaviors and how they impact the workplace. Learn the different ways to retain and motivate each generation.

PROGRAM LENGTH

2-3 HOURS
